## TEXT OF THE BALLOT MEASURE

The question submitted to the voters shall read substantially as follows:

To maintain prompt local fire protection and emergency medical response services within Nevada County Consolidated Fire District, to maintain current fire station staffing, and to prevent the immediate layoff of personnel so that firefighters are available to respond to all emergencies; do you support an annual special tax, with all revenue staying in our community, for local fire protection and emergency medical response services?

# FULL TEXT OF SPECIAL TAX MEASURE NEVADA COUNTY CONSOLIDATED FIRE DISTRICT PARCEL TAX FOR FIRE SUPPRESSION, PROTECTION AND EMERGENCY MEDICAL RESPONSE SERVICES

The Nevada County Consolidated Fire District is responsible for fire protection and emergency medical response services to the rural areas surrounding Grass Valley and Nevada City, in Nevada County.

In order to maintain prompt local fire protection and emergency medical response services within Nevada County Consolidated Fire District, to maintain current fire station staffing, and to prevent the immediate layoff of personnel so that firefighters are available to respond to all emergencies, to keep property insurance rates manageable, and to adequately train and equip firefighters, the District proposes to levy a special tax on each taxable parcel of land within the District at the following annual rates:

Property Type	Rate		
Residential Dwelling Unit	\$52.00 for the first dwelling unit		
Residential Dwelling Units (if more than 1 unit)	\$39.00 for each additional dwelling unit		
Mobile Home Unit	\$39.00 for each unit		
Unimproved Property	\$26.00 per parcel		
Commercial, Industrial, Office, Recreational Property	\$0.04 per square foot of building area		
Sprinklered Commercial, Industrial, Office, Recreational Property	\$0.02 per square foot of building area		

Taxable parcels are those parcels that appear on the annual secured Nevada County property tax roll and are billable for Nevada County Consolidated Fire District services.

The purpose of this parcel tax will be to ensure continued local fire suppression and protection as well as rapid emergency response services for all residents, employees, and visitors in the District. The revenues raised by this special tax will only be used to defray operating expenses and capital improvement expenditures to accomplish the foregoing purposes.

In order to help ensure that the revenues from the special tax grow in line with the inflation adjusted cost of providing local fire protection and emergency medical emergency services, the tax rate may increase in future years by an annual amount not to exceed 3% per year, based upon changes in the Western States Consumer Price Index (CPI) or 3%, WHICHEVER IS LESS. Under no circumstances can the cost of living adjustment be put in place without the proposed modification of the fee adjustment of the special tax being placed on the agenda of the Nevada County Consolidated Fire District Board of Director's regular meeting with an opportunity for public input and discussion.

If the special tax is approved by two-thirds of the voters voting on the measure, the District's appropriations limit will be increased by the amount of this voter-approved tax.

The special tax revenues shall be deposited into a separate account for exclusive use by the Nevada County Consolidated Fire District, in accordance with Government Code Section 50075.1, and shall be expended by the District according to a plan developed annually by the District's staff and approved and adopted by the District's Board of Directors. A citizens' oversight committee appointed by the Board will review and report on the expenditure of tax revenues.

The District will cause to be filed an annual report with its Board of Directors, which report shall include the amount of special tax revenues collected and expended, and which shall otherwise comply with the accountability measures established in Government Code Sections 50075.1 et seq.

Any property •wner wh• is assessed a special tax as provided for herein may appeal any determination by the District concerning the nature of the use of the property or the calculation of the amount of the tax by filing a notice of appeal with the District offices. #### STAFF REPORT

TO: Board of Directors of the Nevada County Consolidated Fire District

FROM: William D. Ross, Special Counsel

David Schwarz, Special Counsel

**MEETING:** June 20, 2024

**SUBJECT:** Agenda Item No. 13, Review and Possible Approval of:

A. Concurrent Resolution Authorizing Application to the Nevada County LAFCO to Commence Proceedings for Annexations of the Rough and Ready Fire Protection District and Nevada County Consolidated Fire Protection District to Penn Valley Fire Protection District; and,

B. District Request for Modification of Existing Master Property Tax Allocation Agreement for Additional Funding for Fire Services

#### **RECOMMENDATION**

- A. Consider and Adopt a Resolution authorizing commencement of Proceedings by the Nevada County Consolidated Fire District ("Nevada Consolidated") before the Nevada County Local Agency Formation Commission ("LAFCO") for sequential annexations involving Nevada Consolidated, the Penn Valley Fire Protection District ("Penn Valley"), and the Rough and Ready Fire Protection District ("Rough and Ready").
- B. Review and approve a District Board of Directors ("Board") letter to Nevada County Administrative Officer for modification of existing Master Property Tax Allocation Agreement for Additional Funding for Fire Services.

#### **BACKGROUND**

In April 2023, Penn Valley commenced the process of annexing Rough and Ready. However, the process stalled because LAFCO indicated that the application was incomplete and additional work was needed on related Municipal Service Reviews ("MSR") and Sphere of Influences ("SOI") for fire district reorganization.

Since that time, our office has been retained to assist with a renewed application with LAFCO, with the goal of combining Penn Valley, Rough and Ready, and Nevada Consolidated into a single fire protection district.

The rationale for this is that the resulting agency would benefit from increased economies of scale and, (perhaps most vital) improved response times, increased revenues due to broader application of existing taxes and assessments. More specifically, by conducting sequential annexations and dissolutions, certain tax and assessments measures that are currently geographically limited to the existing footprint of each of the individual districts will instead be applied to the footprint of the combined fire district, once LAFCO approval is completed.

Accordingly, a sequential order of annexations and dissolutions should be pursued so that each agency's current special taxes and assessments are applied to the maximum effect once all three agencies have combined.

Current financing measures of the three agencies include:

- Nevada Consolidated:
  - Fire Benefit Assessment (2004)
  - Special Tax (2012)
- Penn Valley:
  - Fire Suppression Benefit Assessment (2005)
  - Emergency Medical Response Services Special Tax (2010)
  - Special Rescue Tax
  - 201 Ambulance Transport Rights
- Rough and Ready:
  - Fire Suppression Assessment (2019)

#### **SEQUENTIAL ORDER OF ANNEXATIONS**

LAFCO proceedings for reorganizing local agencies are governed by the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (California Government Code Section 56000 et. seq., "CKH").

Under CKH, territory that is annexed to a district becomes subject to any previously authorized taxes and assessments of the annexing district. (See, Government Code Section 57330.

In discussions with staff of the three agencies and after review of existing revenue measures, the order of annexations and dissolutions should be as follows:

- First, Penn Valley annexes Rough and Ready.
  - o Rough and Ready would then be dissolved.
  - Penn Valley's existing revenue measures would be applied to the combined area of both districts.
  - Rough and Ready's current revenue measures would remain in effect, but only in the former Rough and Ready territory.

- Second, Penn Valley then annexes Nevada Consolidated.
  - Nevada Consolidated would be dissolved.
  - Penn Valley's existing revenue measures would be applied across the entirety of all three former agencies.
  - Nevada Consolidated current revenue measures would remain in effect, but only in the former footprint of Nevada Consolidated.

To commence the process, each District's Board would adopt substantially similar resolutions authorizing the pursuit of the LAFCO proceedings and the agreed upon order of annexations/dissolutions. Note, an additional fire district such as the Ophir Hill Fire Protection District ("Ophir Hill") <u>could</u> be added to this process, and we are informed that Opher Hill is authorizing participation in this process. We are also aware that the Rough and Ready Board approved a like Resolution and authorized the Board communication before you at its Meeting of June 11, 2024.

The Nevada County LAFCO has discretion on how proceedings would be pursued. However, this sequential reorganization is supported legally and is based on sound reasoning and practical considerations – including budgetary concerns and increasing the efficiency of fire and emergency response services within the affected area.

Additional considerations of the sequential annexations/dissolutions include:

- Completing a Service Plan jointly prepared by Rough and Ready, Nevada Consolidated, Penn Valley and other appropriate fire districts who timely join the process.
- 2. The paid employees and the active paid-call firefighters of Rough and Ready, Nevada Consolidated, and Penn Valley will become a portion of the resulting successor district (i.e., the Nevada County Fire and Rescue District).
- 3. All Tax Rate Areas will be maintained and all revenue mechanisms currently existing in Rough and Ready, Nevada Consolidated, and Penn Valley will be maintained post-reorganization.
- 4. The name of the resulting reorganized fire district shall be the Nevada County Fire and Rescue District.
- 5. Any other provisions that the three agencies agree upon.

#### MAINTAINING CURRENT LEVELS OF SERVICE

One component of LAFCO's review of the anticipated application for reorganization will be the capability of the final resulting district to maintain existing or enhanced levels of fire and emergency response services.

This aspect ties in with APTriton's review of the fiscal components at issue, and the ability of the resulting fire district to provide adequate services.

#### **UPDATES TO OUTDATED MSRs AND SOIS**

APTriton has been retained to revise the current Nevada County LAFCO's Municipal Service Review ("MSR") and Sphere of influence ("SOI") for fire and emergency response services within the county.

A component of any updated MSR that considers to be the combined district will include a financial review for each of the three agencies (and other agencies who may choose to join or be ordered to join by the LAFCO Executive Officer), including a review and analysis of the existing fiscal status of each of the agencies and their financial ability to provide services. Any revised MSR should include an analysis of whether the existing revenue measures of the three agencies will be sufficient to maintain adequate staffing, facilities, and response times once all the sequential annexations and dissolutions have occurred.

Preliminary and ongoing analysis indicate that the Master Property Tax Allocation Agreement of the Nevada County will need to be modified to maintain and enhance existing levels of service. Accordingly, a proposed Board communication to the Nevada County Executive Officer is enclosed requesting that negotiation process begin.

Re: Master Property Tax Allocation Agreement; Request for Amendment

Dear County Executive Officer Lehman:

The Rough and Ready Fire Protection District ("Rough and Ready") will shortly initiate a series of actions before the Nevada County ("County") Local Agency Formation Commission ("LAFCO"), which will result in the combining of the Penn Valley, Rough and Ready, and Nevada Consolidated Fire Protection Districts. These collective actions, known as "Reorganizations" in LAFCO proceedings, will effectively combine existing revenues of the involved fire districts.

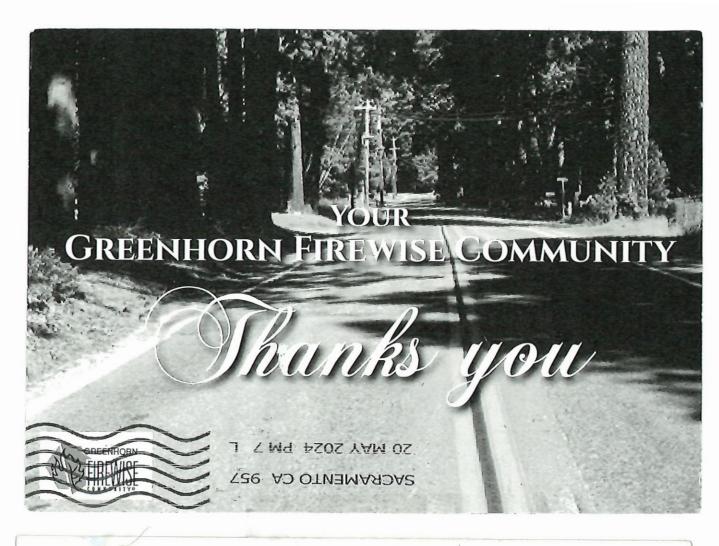

Rough and Ready, Penn Valley, and Nevada Consolidated Fire believe that, in order to maintain adequate staffing for fire and lifesaving services, renegotiating the present County Master Property Tax Allocation Agreement will be necessary. On behalf of the involved fire districts, we welcome the opportunity to discuss this with you further at your convenience.

Sincerely,

Keith Gruenberg, President Nevada County Consolidated Fire District

Dear Chief Robitaille:

On behalf of the Governor's Office of Emergency Services, I would like to congratulate you and the members of your department on obtaining typing as a Type 3 Swift Water/Flood Search & Rescue (SW/F S&R) Team meeting or exceeding the standards of California FIRESCOPE ICS-120-1 (Technical Search & Rescue Operational System Description). Radio identifier will be NCCFD Rescue 84.

My staff and I were impressed by the devoted and professional manner that members of your department demonstrated in preparing for the resource typing inspection performed April 29, 2024. The equipment, apparatus, training, and operational readiness that your department has achieved in this endeavor are a valuable addition to the California Fire & Rescue Mutual Aid System and a credit to your entire organization. This newly typed resource will be included in databases across the California Fire & Rescue Mutual Aid System, including Cal OES Fire & Rescue Headquarters, the California Fire & Rescue Coordination Center (CFRCC), the State Operation Center (SOC), the Fire & Rescue Mutual Aid Regions, and the Operational Area dispatch centers.

We would like to personally thank you for the hospitality provided to us and for the superb job in both putting together the presentation for the evaluation and the continued refinement of the SWR program.
