# BUDGET SUMMARY

Fund 722 is the general operating fund of the district. The primary sources of the General fund are Property Taxes, Special Assessment, reimbursement for items such as strike team assignments, vehicle repairs and cost recovery, and other revenue for rentals, operations permits and plan reviews.

Fund 723 is an internal contingency fund for the district. This fund is to maintain 10% of revenue.

Fund 733 is for development impact fees, or more commonly known as AB 1600 mitigation fees. The revenue source from this fund is for new development (building) within the boundaries of Nevada County Consolidated Fire District. These funds are restricted for use for new improvements or services.

Fund 734 is the 2012 Special Tax fund; these funds are to maintain prompt local fire protection and emergency medical responses within the district. This was to maintain the current staffing and prevent the layoff of personnel. These funds are transferred to the general fund, 722, to maintain these services.

Fund 758 is the capital reserve fund of the district. The main revenue source for this fund is from the sale of surplus equipment and transfers from the general operating fund, 722. These funds cover expenses for capital improvement, apparatus, and equipment replacement.
